

ALL COMPLETED APPLICATIONS FOR SEPTEMBER ENROLLMENT ARE DUE BY DECEMBER 15TH. Part Two

Entering students must apply for admission to one of the specialized programs or Academies indicated below.

Students admitted into a specific career program are expected to complete all requirements as established by each program.

1ST CHOICE: SCHOOL OF: _____ 2ND CHOICE: SCHOOL OF: _____

THESE SELECTIONS MUST BE SERIOUSLY CONSIDERED.

STUDENTS SELECTED FOR ADMISSION MUST REMAIN IN THEIR CAREER MAJOR FOR FOUR YEARS.

ACADEMY OF INFORMATION TECHNOLOGY: The Academy of Information Technology prepares students for the most marketable certifications in the Information Technology field. CompTIA's, A+, Network+, Cisco's CCNA, and many Microsoft Certifications result in immediate recognition and significant earning power.

❖ **MUST CHOOSE ONE MAJOR:** **COMPUTER REPAIR** **COMPUTER SCIENCE**

ACADEMY OF MEDICAL ARTS: (Interview required) The Academy of Medical Arts has educated more than a thousand high school students in the broad field of health occupations. Students are given the opportunity to earn up to 15 college credits during their junior and senior years. Many past graduates continue their education and become doctors, dentists, nurses, medical technicians and health career educators.

MEDICAL ARTS **ALLIED HEALTH** (*Special Needs Students Only*)

SCHOOL OF BUSINESS/ACADEMY OF FINANCE: The School of Business Careers is a four-year program designed to prepare students for rewarding and exciting professional careers in business and industry. Students will become proficient in the following areas: finance, marketing management and office administration.

SCHOOL OF APPLIED TECHNOLOGY: The School of Applied Technology offers students comprehensive instruction in highly professional, state-of-the-art settings that include: Drafting (CAD), Electronics, and Manufacturing Technology.

Students must choose one major:

1st Choice _____

2nd Choice _____

SCHOOL OF AUTOMOTIVE TECHNOLOGY: State-of-the-art instruction is presented by a highly qualified staff in an expansive automotive technology diagnostic lab. Students will become eligible for nationally recognized certifications such as Automotive Service Excellence and Automotive Technician and will explore the fields of Auto Body Technology and Auto Repair.

SCHOOL OF COMMUNICATION ARTS: Students in the School of Communication Arts receive instruction in state-of-the-art classrooms, commercial work environments and advanced laboratories. Here they are encouraged and challenged to express their creativity in the various forms of communication from fine art to commercial art. Students will also receive instruction in recording arts technology including sound equipment operation and engineering as well as digital recording techniques.

❖ **MUST CHOOSE ONE MAJOR:** **ADVERTISING ART & DESIGN *** **GRAPHIC ARTS** **AUDIO VISUAL PRODUCTION**

**All applicants must submit a portfolio and participate in an onsite interview at a later date.*

SCHOOL OF CONSTRUCTION TECHNOLOGY: In grade 9, all students will complete a rotation of the following shops: Air Conditioning/Refrigeration (HVAC), Carpentry, Electric, Plumbing and Welding. Thereafter, students will be considered for their selected major based on the following criteria: student selection, grades, shop performance, shop teacher recommendation and availability. If an area of concentration is not available, students will be placed in another concentration within The School of Construction Technology.

SCHOOL OF COSMETOLOGY: In the School of Cosmetology, students are introduced to the creative field of hairstyling, manicuring and modern-day spa services. With state-of-the-art equipment in a full-service salon setting, experienced instructors teach the professional skills necessary to compete in this dynamic and rewarding field.

SCHOOL OF CULINARY ARTS: Culinary majors explore all aspects of the food industry from food preparation to presentation and are introduced to the baking, production, cafeteria, pantry and table service components of the field. Instruction is provided in an impressive state-of-the-art setting by multi-talented internationally and domestically trained staff.

SCHOOL OF EDUCATION/HUMAN SERVICES/CHILD DEVELOPMENT: (Interview required) This course prepares students for careers in social services such as teaching, social work, etc. and provides a foundation for entry into two and four year colleges and universities as well as entry level positions in the child care industry.

SCHOOL OF ENGINEERING: This program is based on a pre-engineering curriculum for the 4-year college-bound student and has linkages to area colleges which award up to 12 advanced placement college credits from Rochester Institute of Technology.

SCHOOL OF PERFORMING ARTS: This program is designed to prepare students for continued education and experience within rewarding and exciting professional careers related to artistic expression. Students within the School of Performing Arts will have the opportunity to perform "on stage" or behind the scenes of a theatrical production. Students will also receive instruction in recording arts technology including sound equipment operation and engineering as well as digital recording techniques.

❖ **MUST CHOOSE ONE MAJOR (AUDITIONS REQUIRED):** **DANCE** **THEATER** **INSTRUMENTAL**

SCHOOL OF SERVICE CAREERS – *Students may choose from two programs:*

Criminal Justice/Public Safety: This program prepares students for careers in Law Enforcement, Security, and Fire Protection and Prevention. Legal issues and public safety concerns in our contemporary society are an important part of the curriculum. :

Landscape Design: Students learn the fundamentals and applications required for maintaining and operating a landscaping business. Plant care, computer assisted instruction and proper use of industry standard equipment is an integral part of the curriculum

❖ **MUST CHOOSE ONE MAJOR** **CRIMINAL JUSTICE/PUBLIC SAFETY** **LANDSCAPE DESIGN**
