2. Every athlete must have a physical examination prior to participating in the sports program. You must have your personal physician examine you prior to the start of the season to be eligible to participate. 3. If you have any further questions, please call the coach listed above for the sport you are going to try out for. If you are interested in playing a winter or spring sport, there will be organizational meeting prior to the season. Please make sure you listen to daily announcements and check the website.

I hope you enjoy your four years at PCTI and succeed both academically and athletically.
Yours in sport,
