

Daily Operating Procedures for Bulldog Student-Athletes

- Any student-athlete that feels in sick in any way or “under the weather”- displaying symptoms consistent within the Bulldog Tech life App **MAY NOT** attend practice or be on campus - it is important that we are extra cautious and understand that missing practice or a game is acceptable. It is strongly recommended that if you are dealing with ANY symptoms that you contact your doctor and inform either the PCTVS Nurses office, the Athletic Trainers office, or Coaches.
- All student-athletes **MUST** report to the Athletic Center as a designated daily check in area and wait to be screened by the PCTVS Athletic Trainers prior to each day of athletics.
- **ALL STUDENTS MUST ARRIVE WEARING A PROPER MASK.**
- Daily checks will include successful completion of the Bulldog Tech Life Screening APP (Green Bulldog) and a PowerSchool review for quarantine restrictions. These checks will be conducted by PCTVS Athletic Trainers and they will screen each other and/or be screened by the athletic director.
- The athletic trainer and all athletic personnel, coaches, workers, officials etc. will be screened via the Bulldog Tech Life App or by the completion of the COVID-19 Daily Pre-Screening Questionnaire (paper form).
- All student-athletes **MUST** bring their own water bottle and there is NO sharing of any drinks.
- All personal equipment will be brought home each day and must be properly cleaned by the student-athlete.
- All shared sports equipment will be properly cleaned by the coaching staff and/or athletic department regularly.
- Student-athletes should report to campus at the assigned time (as per their coaches). Student-athletes are instructed to leave campus immediately following their practice or game.
- All student-athletes should bring a bag with any equipment, water bottles, and extra masks on a daily basis.
- When not performing/participating in a practice or game, all athletes **MUST** be wearing a mask. Again, this includes players that are out of the game for an extended period of time.
