

## PRESS RELEASE

# PCTI Celebrates Creativity with ARTIFACTS

**Wayne, NJ – FOR IMMEDIATE RELEASE** – It was a night celebrating creative expression when Passaic County Technical Institute (PCTI) unveiled the much anticipated annual Art Exhibition. This year’s presentation entitled ARTIFACTS, once again encouraged guests to journey down the creative pathway so many of Communication Arts students have ventured. The show’s theme took all attendees on an adventure of visual discovery. Hundreds of visitors filtered through PCTI’s media center, intent on viewing the artistic expression of Graphic Arts, Advertising Art & Design, and Video Production students.

The portfolio show put a spotlight on the dedication of graduating seniors. Their artwork was mounted for all to see and officials in the business were invited to gauge the talent of PCTI students.

Thanks to the parents, teachers, staff, family, and friends, who came out to show their support for this extremely successful event!
