

## PRESS RELEASE

# Environmental Club Spreads Autumn Cheer

**Wayne, NJ – FOR IMMEDIATE RELEASE** – Passaic County Technical Institute’s (PCTI) Environmental Club wasted no time in spreading the joy of the fall season when they cultivated their very own pumpkin patch. The event was designed to bring happiness to Wayne’s Head Start children and was held in the high school’s greenhouse.

Environmental Club members and Advisor Tim Reilly supplied pumpkins and goody bags to all in attendance.
