

## PRESS RELEASE

# Mother's Day Plant Sale Rallies Money for Cancer

**Wayne, NJ – FOR IMMEDIATE RELEASE** –Environmental Club Members and Landscape Design students of Passaic County Technical Institute (PCTI) teamed up for a Mother's Day plant sale to benefit breast cancer awareness. Students planted, tended to, and sold flowers in honor of the special day. All proceeds were donated to "Fighting Pretty," an organization with the mission of helping women feel strong and beautiful during and after cancer treatment.

Sincere thanks to Instructors Mike Di Patria, Timothy Reilly, and Stephanie Wendolowski who were involved in ensuring this event was a success!
