MEETING FOR PARENTS OF INCOMING FRESHMEN STUDENT-ATHLETES

THURSDAY, JULY 1, 2021 at 6:00PM

In-person meeting dependent upon restrictions presented by the Governor's office and the CDC/NJDOE/NJDOH guidelines, currently the invitation is extended to one-incoming freshman student-athlete and one of their parents/guardians.

Incoming freshmen who are interested in participating on an athletic team, along with one parent/guardian, are invited to a tentative "in-person" meeting scheduled for **Thursday, July 1, 2021**. This will be a beneficial program that will be conducted to help incoming students understand what the coaches expect and what is offered to our "Bulldog" Family. This will also offer an opportunity for the coaches to hear the concerns and questions of the parents. The meeting is open to all student-athletes and a parent/guardian interested in athletics at Passaic County Technical Vocational Schools, the meeting is critical for those interested in participating in a Fall 2021 sport (Football, Soccer, Cross Country, Girls Volleyball, Girls Tennis)

A proposed "in-person" program will begin promptly at **6:00 PM on July 1, 2021** dependent upon recommendations from the Governor's Office/CDC/NJDOE/NJDOH guidelines in the Frank D. Zaccaria Auditorium, located in the main lobby adjacent to the gymnasium. Your attendance is requested, especially for all expected fall athletic participation. If guidelines 7 restrictions are still too extreme, the meeting will occur virtually (more information is soon to follow-regardless, we will make preparations to record and to have the event placed on the school's YouTube channel). Topics to be discussed will be physicals, eligibility, health guidelines as they pertain to athletics, sportsmanship, and "in-season" injury procedures. After this presentation, parents will be given the opportunity to meet with our fall coaching staff (Football, Soccer, Cross Country, Girls Volleyball, Girls Tennis). Also, a formal registration for fall sports for freshmen (boys/girls) will occur at this meeting.

Thank you for your continued support for PCTVS and our athletic department. We appreciate your understanding during these unprecedented times and are looking forward to the return of normalcy starting at some point this summer. If you have any questions, you can reach me at (973) 389-4106 or contact my secretary, Mrs. Felicia Robinson at (973) 389-4141.

Yours in sport,

Nic Nese
