

Search for “Lynda.com” in the App Store and select the download button. The icon will appear on your home screen once it is fully downloaded.

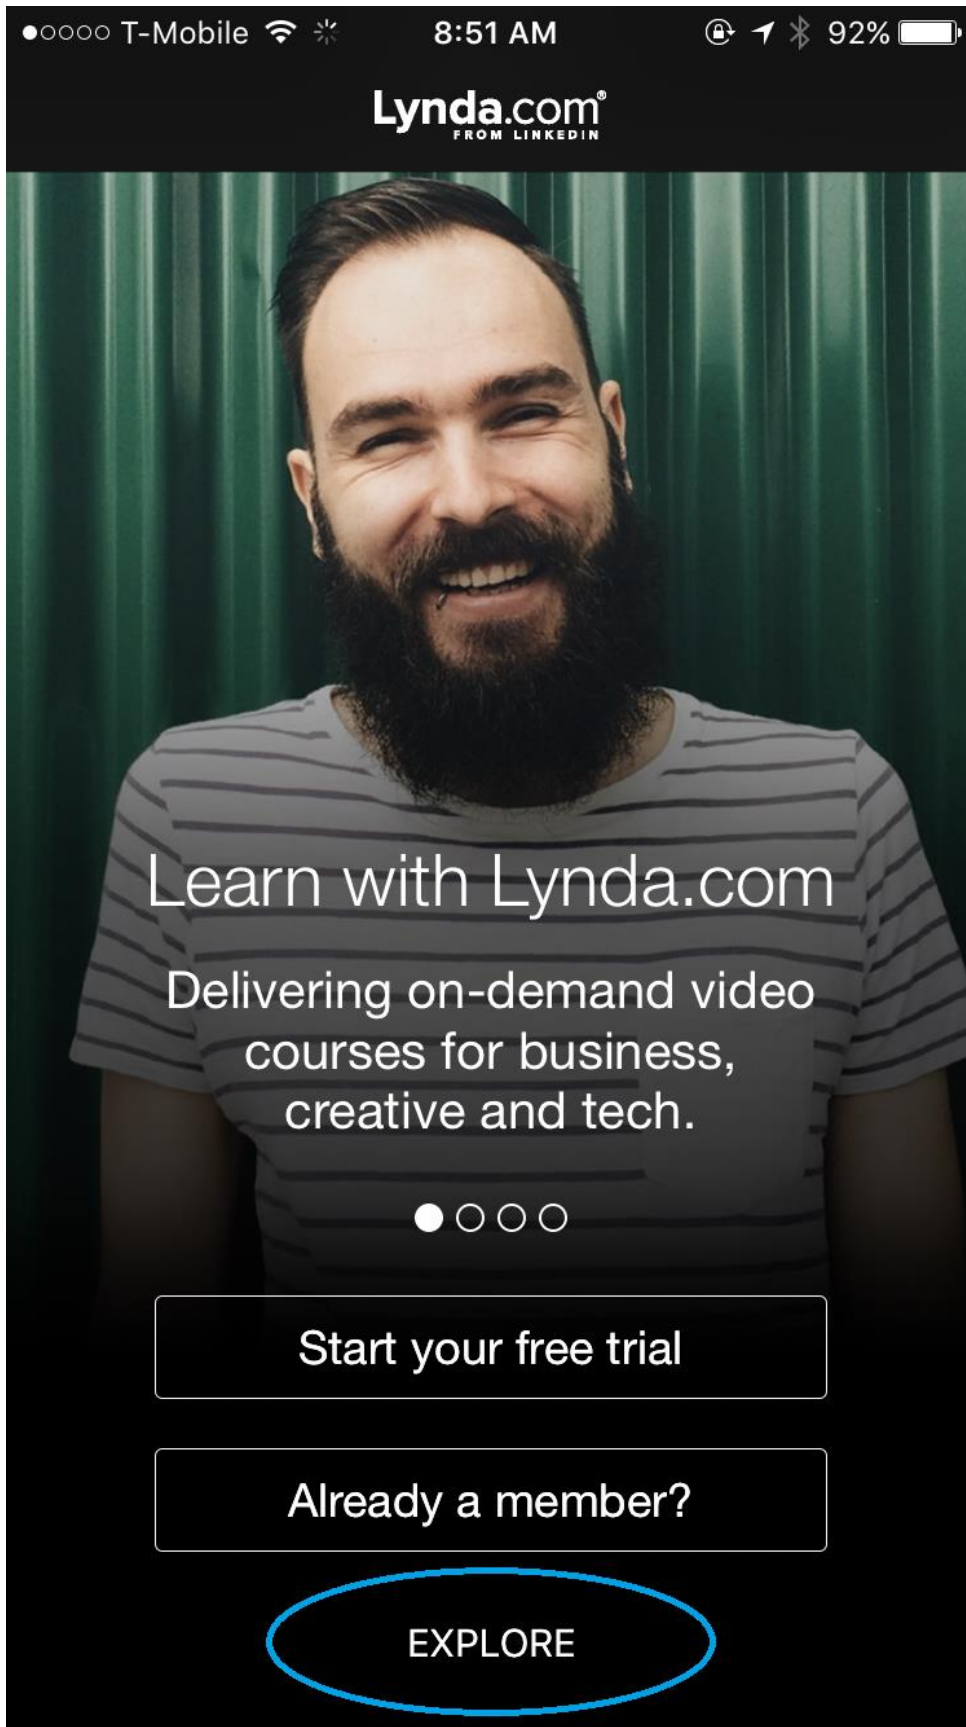

Lynda.com
LinkedIn Corporation
★★★★☆ (96)

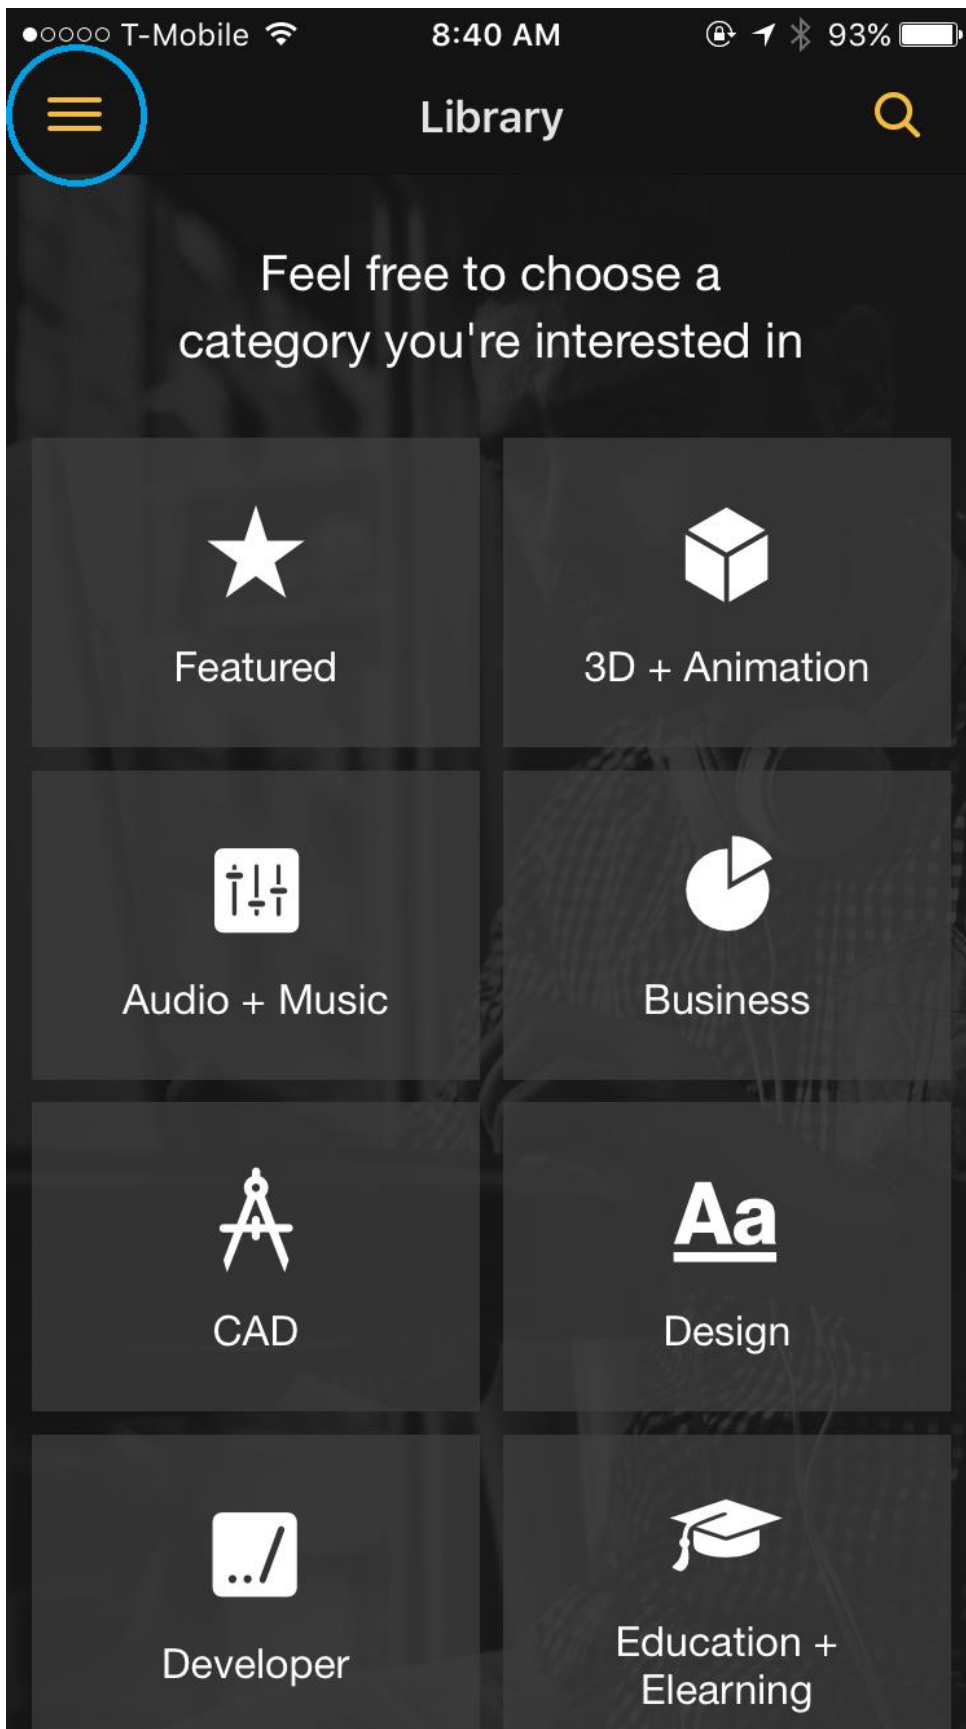

Offers Apple TV App

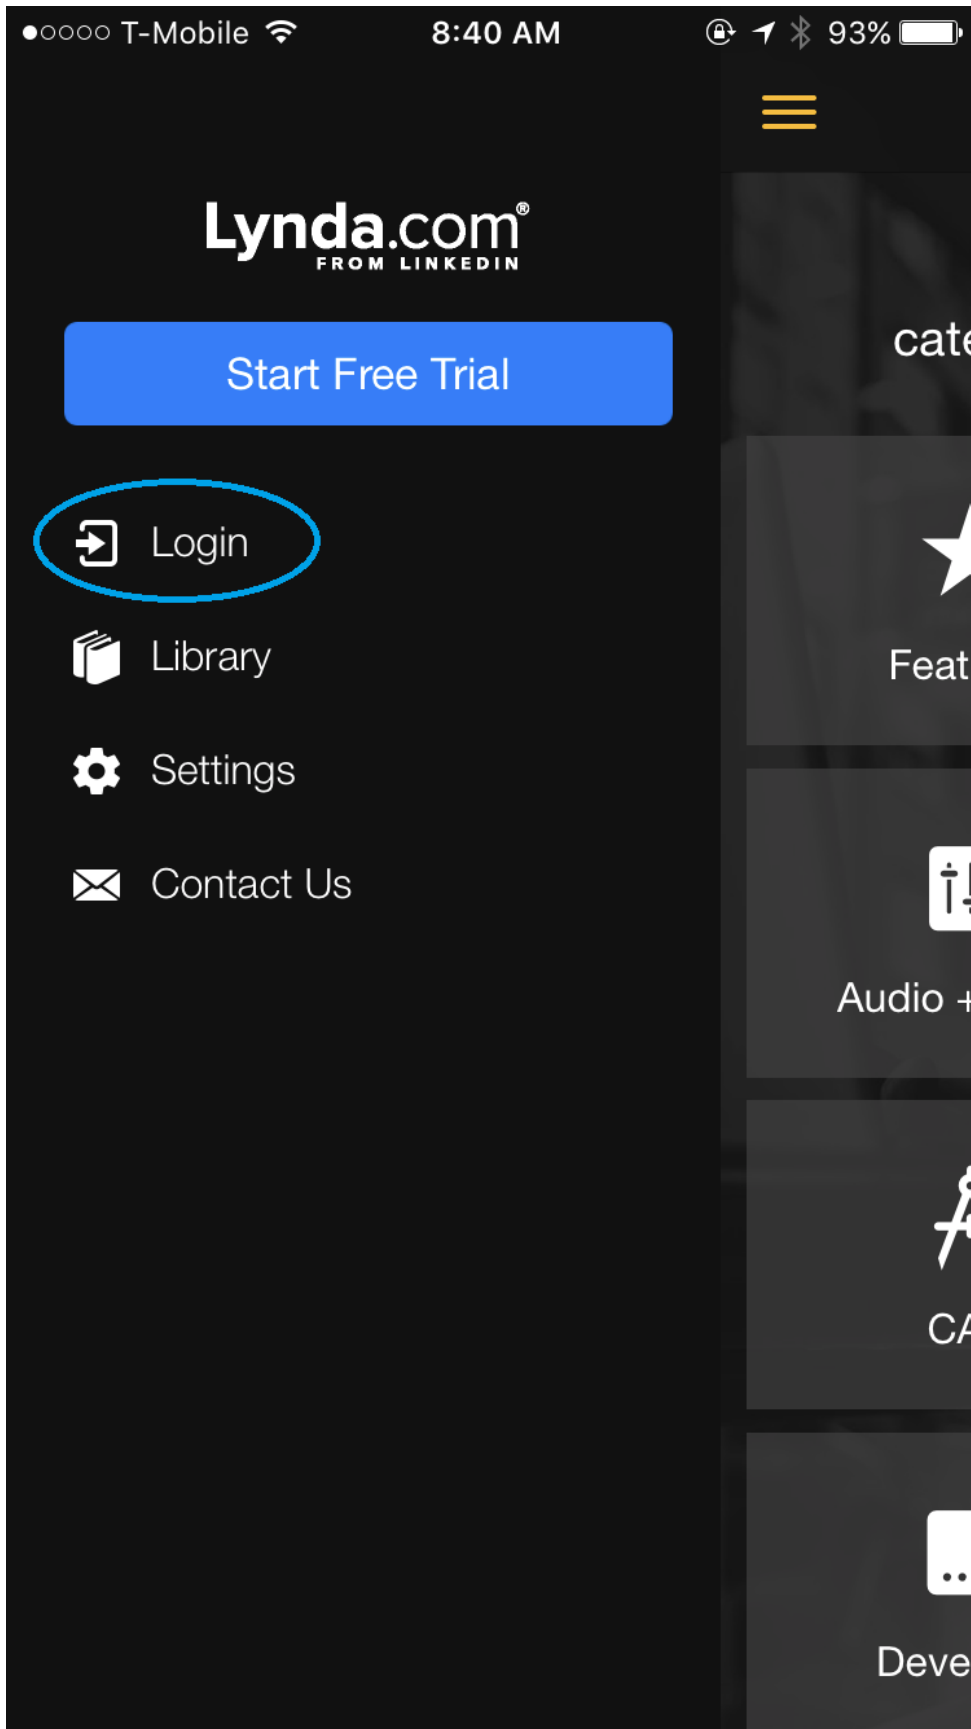

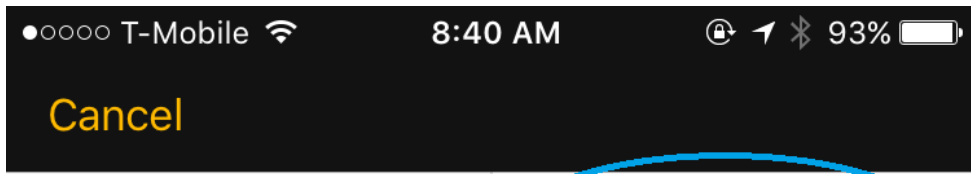

Once the Lynda.com app is downloaded, open the app and select the “EXPLORE” button to get started.

The Library page will appear once the “EXPLORE” button is selected. Select the triple bar to open up additional content.

Once the additional content appears, select the "Login" button.

Individual **Organization**

For those associated with an organization or school
