3. The student and parent will refrain from sending any form of communication that harasses, threatens or is discriminatory.
4. The student and parent accesses only files on the device or Internet sites which are relevant to the classroom curriculum.
5. The student and parent will only access the Internet using the PCTI wireless connection while on campus.
6. The student and parent acknowledges that the PCTI network filters will be applied to one's connection to the Internet and will not attempt to bypass them.

9. The school has the right to collect and examine any device that is suspected of causing problems or being the source of an attack or virus infection.

10. PCTI will not “push” applications to the student’s personal laptop or mobile device. Approved educational applications are only “pushed” to PCTI-owned laptops and mobile devices.
